

SCOT TAKES GRANITE STAND

The Ben Lomond Scot statue was removed from the Ogden school to have a granite base custom-made, thanks to a donation from the Class of 1964, then was returned to the school Wednesday. The front panel of the stand reads "Donated by Class of 1964 Loyal Scots Forevermore."

RIGHT: Ben Lomond sophomore football players watch from above as Mark H. Bott Company employees set the statue on its new granite base at the school.
